My Dear Mr. Burger,

I have delayed writing on account of not being able to lay my hands on the articles in question since the time of the fire. However I have at last located them. The lot consists of the following:

Plaque of Napoleon given by him to Dr. Physic.

Miniature of Napoleon

Miniature of the Empress Josephine

Handkerchief belonging to Napoleon.

I feel that we should get $250. for the lot.

I thank you for selling the other stamp book. Will fix it up with you about the stamps when I see you.

I send my kindest regards.

Yours very truly
